***Detachment to follow Christ.....***

If we are to follow Christ, our soul has to  
be free from any attachments: from love  
of self in the first place; from an  
excessive concern for our health or for  
the future... from riches and material  
goods.

Effective detachment from things  
demands sacrifice. The objective of a  
Christian is not to accumulate more and  
more but to love Christ more and more  
through his work and his family as well  
as through material goods.

In the same way as He invited the  
Apostles to follow Him, Our Lord has  
invited each one of us, wherever we find  
ourselves, to follow Him.

Let us make sure we are not giving up the  
chance of a deeper union with Christ for  
the sake of a few trifles – for what Saint  
Paul calls rubbish – for nothing but  
junk!
