A Cry for Justice

A loud clamour for justice can be heard throughout a large section of humanity, for a *better-assured peace within an atmosphere of mutual respect between men, and between the peoples of the world.* This desire to construct a more just world in which greater respect is given to man, who has been created by God in His image and likeness, is a fundamental part of the *hunger and thirst for justice* which must exist in the heart of a Christian.

All of Jesus' preaching is a call to justice and to mercy. Our Lord Himself condemns the Pharisees, *who devour widows' houses and for a pretence make long prayers.* And it is the Apostle St James who addresses this harsh reproach to those who grow rich through fraud and injustice : *Your riches have rotted ... Behold, the wages of the labourers who mowed your fields, which you kept back by fraud, cry out;*

The Church urges us to unite ourselves to this clamour of the world, and to turn it into a prayer that reaches our Father God. At the same time she impels and urges us to live the demands that justice makes on our personal lives at a professional and social level, and to defend those who cannot avail themselves of their rights.

The ultimate solution for restoring and promoting justice at all levels lies in the heart of each man. That is why, as Christians, we cannot forget that, when through our personal apostolate we bring men closer to God, we are building a world which is more human and more just. Let each man endeavour to complement justice with the virtues of loyalty, courtesy and cheerfulness. Lets see other people as children of God, as Christ Himself, who says to us :

As you did it to one of the least of these my brethren, you did it to me.

Palm Branches needed for next Sunday, can be left next to Fr's garage on Friday. Anybody who can help, please let the office know. Assistance to cut the palms and decorate the church on Saturday morning 24 March will be greatly appreciated.
