***The Assumption of Our Blessed Mother***

Today we turn to Mary with thoughts filled with joy and praise. From their place in Heaven the angels and the saints contemplate in awe the supreme glory of Mary. They know full well that this dignity derives from the fact that she was and continues to be for all eternity the Mother of God.

With her maternal care, Our Lady continues to present to her Son the offerings made by his people on earth. She deals with us in a motherly manner. She sees Jesus in each Christian, in each person. As Co-Redeemer, she urgently desires that we become fully united to the divine life. She will always be ready to lend us a hand in whatever difficulties and temptations may befall us. She is our great ally in the apostolate which we Christians must make a reality in the middle of the world.

Let us make a firm resolution to grow daily in our recourse to the Blessed Virgin by imitating St John, who on Calvary received Mary on behalf of all mankind.: *And from that hour the disciple took her to his own home*. With how much love, with how much refinement he must have treated Her.

Mary represents every man and woman of every age and place. Through a special privilege, she was chosen to be immaculate, for bearing and bringing forth the Son of God Having completed her life on earth Mary was taken up to heaven by the merits of her Son, and as her immaculate state was beyond corruption. We are made partakers of heaven by the death and resurrection of Jesus. Like Mary we need to obey God totally and bear Christ in our hearts

We wish all our Assumption Sisters a ***Very Happy Feastday***.

Our Lady, patroness of South Africa, pray for us.
