**The Presence of God, One and Three, in the soul in grace -**

God - the Father, Son and Holy Spirit - dwells in our souls in a special way through sanctifying grace St Paul says : 'We are the temples of the living God' The good fortune of having the presence of the Blessed Trinity in the soul is not meant only for extraordinary individuals, but for the ordinary Christian who wants to love God with all his being. This revelation that God made to men, amazed the first Christians and filled their hearts with peace and supernatural joy. When we are convinced of this supernatural reality - that God, One and Three, dwells within us as individuals - we turn our lives, troubles, into a ***foretaste of heaven.*** The Christian begins his life in the name of the Father and of the Son and of the Holy Spirit; And in this same Name he leaves this world to find in Heaven the fullness of the vision of these divine Persons whom he has tried to get to know here on earth. One God and three divine Persons : this is the profession of our Faith that the Apostles heard from Jesus' lips and handed down.. On this path towards the Blessed Trinity to which all our efforts must tend, we have as our Guide and Teacher the Holy Spirit. Our Lord promised - and His word never fails : 'I will pray the Father, and He will give you another Counsellor, to be with you for ever, even the Spirit of truth, whom the world cannot receive, because it neither sees Him nor knows Him ; you know Him for He dwells with you and will be in you. I will not leave you desolate' Let us ask God today to guide us along this path which is filled with light.
