Congregation of The Franciscan Sisters of Our Lady, Mother of Africa

We are called Franciscan Sisters of our Lady, Mother of Africa – commonly referred to as the Diocesan Srs of the Maputo Archdiocese, founded by the Cardinal of Maputo, Alexandra Maria dos Santos. Our nature is primarily apostolic. We live in community – one religious family - a traditional African family, by loving, caring and helping each other; elements that form our religious fraternal charity.

Our charisma consists of Apostolic action animated by a religious spirit and always proceeding from the intimate union with God in our daily prayer of meditation and adoration of the Blessed Sacrament for the reparation of sins. In our daily prayer, we strive to grow in love of Jesus Christ – the love that we share with people we reach in our apostolate. Our spirit is dictated by the words of Christ Mt. 20:28 ‘The Son of man did not come to be served, but to serve and give his life for others’ and words of Our Lady ‘I am the handmaid of the Lord, let it be done unto me’. Our spirituality is also guided by the spirit of St. Francis of Assisi and also with close reflections on the written orientations of our founder.

Our primary end is the pursuit of the greater glory of God, and we live a religious consecrated life with vows of chastity, obedience and poverty.

We are evangelizers, teachers of catechism and animators of small Christian communities. We attend to the needs of the poor and nurse the sick, imitating the compassionate Christ amongst the suffering.
